Teddy bear needelace pattern pieces

See my video on this project on my YouTube channel, just search Sarah Homfray Embroidery on YouTube.

Print off this page and cut out the bear and tummy padding pieces to make paper pattern pieces to draw around (or trace him if you want to stitch him!). Go over the designs with a black pen first if you can't see them clearly through the fabric. Trace the waistcoat and basket outlines onto a piece of tracing paper to work the needelace.

Outline designs

Bear, tummy padding pieces 1 and 2

Waistcoat pieces and basket

Background design for reference and to print onto fabric (to scale to fit Teddy bear)
